Description

Nintendo Game & Watch

Mickey Mouse

Excellent Condition.

This Game is from my own personal collection and it's a shame to sell it really, but I need the money to purchase some photography equipment. Sad to see it go.

Box: **c9+**, Some shelf wear and a few marks, excellent Condition.

Game: **c10**, Perfect, serial no. and battery cover.

Includes:

instructions, caution sheet, battery stickers, bag, polly tray, pocket size flyer and opened batteries.

A fantastic condition game and PS box for your collection.
I can not stress enough that this item is in prime mint condition and one of the best Mickey Mouse PS I have seen.

All items are original Nintendo items including the batteries.

Buyer to pay shipping, No COD, Paypal for international customers ONLY!
Bank transfer for Australian customers.

FAKE WATCH:

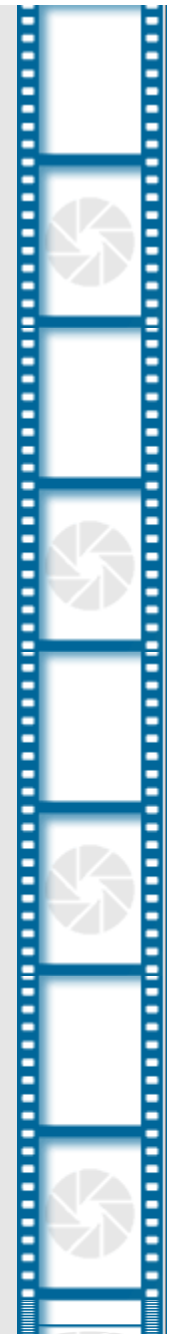

*As a Serious Nintendo Game and Watch collector I would like to just inform collectors that some eBay items listed are re-produced or fake. Most sellers have identified their items as being a reproduced item, but customers should continue to be vigilant as some sellers are trying to sell items as original Nintendo ones. eBay has been informed but to date are yet to act: **BEWARE***
