This is Donkey Kong JR from the popular Game & Watch Series. This is a very rare blister pack version by Micro Games USA.

This is a beautiful example and games are difficult to find in this condition and this on is a very sought after game. The auction is as follows:

Blister - 9 (Small Crack)

Game - C10 (Factory Condition)

This is from my personal collection and I have listed some other items in the same condition. It will be difficult to find games in as good condition c future, so if you are looking for the best games to add to your collection then look no further!

A great addition to any collection and a really nice piece. Good luck with this one and feel free to ask any questions.

International bidders welcome with paypal and UK buyers can also pay by cheque if needed. Check with me for p&p.
